- 4.6. Funding of the Settlement Fund. The Settling Defendants shall have caused the Class Settlement Amount to be deposited at the time prescribed by, and otherwise as provided for, in Section 9.2.

Effective when the Final Approval Order becomes a Final Order, each Named Plaintiff, for and on behalf of themselves and each member of the Settlement Class and any other Person that claims or might claim through or on behalf of or for the benefit of the foregoing, irrevocably, absolutely and unconditionally, fully, finally, and forever release, acquit and discharge the Releasees from Released Claims (as defined in Paragraph 5.2) that Named Plaintiffs or the Settlement Class directly, indirectly, derivatively, or in any other capacity ever had, now have or hereafter may have, including, without limitation, the claims asserted in the Complaint or otherwise based upon, related to, arising out of or in connection with any of the claims asserted in the Complaint. Without limiting the foregoing, on and effective as of the Effective Date, each Plaintiff Releasor shall be deemed to have irrevocably, absolutely and unconditionally waived any and all rights to (a) receive with regard to the Released Claims any consideration in excess of that portion of the Net Settlement Amount that shall be allocated and payable to or for the benefit of such Plaintiff Releasor in accordance with the terms and provisions of the Plan of Allocation, and (b) seek relief against the Releasees in the Action or with respect to the claims asserted or that could have been asserted in the Action beyond that provided in this Settlement Agreement.
- 5.2. Released Claims. Subject to Section 5.1, the Released Claims shall be any and all claims, demands, rights, liabilities, defenses or causes of action of any and every kind, character

or nature whatsoever (including claims for any and all losses, damages, unjust enrichment, attorneys' fees, disgorgement of fees, litigation costs, injunction, declaration, contribution, indemnification or any other type or nature of legal or equitable relief), whether accrued or not, whether already acquired or acquired in the future, whether known or unknown, in law or equity, that have been, could have been, or could be brought by the Named Plaintiffs, by or on behalf of the Plans, and/or by any member of the Settlement Class, and arise out of or are related in any way to the acts, omissions, facts, matters, transactions, or occurrences that have been alleged or referred to at any time in the Action (whether or not dismissed), including but not limited to, claims based on: (a) breach of ERISA fiduciary duties to the Plans, to the Named Plaintiffs, to the Settlement Class, and to the other participants and beneficiaries of the Plans; (b) claims for negligence, gross negligence, breach of fiduciary duty or care and/or breach of loyalty, fraud, or violations of any state or federal statutes, rules or regulations arising out of, based upon, or relating to the ESOP or KSOP during the Class Period; (c) the establishment, maintenance, administration, investment, or disbursement of funds held in the escrow account referenced in Paragraph 9.2; (d) failure to provide information to the Plans' fiduciaries or the Plans' participants and beneficiaries regarding Company Stock or any transaction or event referred to directly or indirectly in the Complaint; (e) failure to appoint, remove and/or adequately monitor the Plans' fiduciaries; (f) claims that would be barred by principles of *res judicata* had the claims asserted in the Action been fully litigated and resulted in a final judgment or order; and (g) the method and manner of the distribution of the Settlement Fund. The Settling Parties stipulate and agree that, by the terms of the Final Approval Order, each member of the Settlement Class shall have and be deemed to have waived and relinquished, to the fullest extent permitted by law, any

and all provisions, rights and benefits conferred by Cal. Civ. Code § 1542 or any federal, state, or foreign law, rule, regulation or common law doctrine that is similar, equivalent, or identical to, or which has the effect of, § 1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his settlement with the debtor.

Notwithstanding the provisions of § 1542 and any similar provisions, rights and benefits conferred by any law, rule, regulation or common law doctrine of California or in any federal, state or foreign jurisdiction, the Settling Parties understand and agree that the releases to be given pursuant to this Settlement Agreement shall include Released Claims that are not known or suspected to exist at the time such releases are given. No claims or potential claims against Defendant Ken F. Parsons, Sr. are Released Claims under this Settlement, and this Settlement shall not be construed to release any claims or potential claims against Defendant Ken F. Parsons, Sr.

5.3. Defendants' Releases of Named Plaintiffs, the Settlement Class and Class Counsel.

Effective when the Final Approval Order becomes a Final Order, the Settling Defendants absolutely and unconditionally release and forever discharge each other, the Named Plaintiffs, the Settlement Class, and Class Counsel from any and all claims relating to the institution or prosecution or settlement of this Action, as well as any and all claims for contribution, indemnification, or any other claims relating to payment of the Class Settlement Amount.

6. COVENANTS

6.1. Cooperation. The Settling Parties shall reasonably cooperate with each other to effectuate this Settlement and to implement the Class Notice program and the Plan of Allocation.

- 6.2. Covenants Not to Sue. Named Plaintiffs covenant and agree on their own behalf, and on behalf of the Settlement Class: (a) not to file against any Releasee any claim based on, related to or arising from any Released Claim; and (b) that the foregoing covenants and agreements shall be a complete defense to any such claims against any of the respective Releasees.
- 6.3. Publicity. Neither the Settling Parties nor their counsel shall issue a press release relating to the Settlement or otherwise publicly comment on the Settlement. Class Counsel agrees to limit all website references to the Action to the Class Notice, case filings (including motions and Court orders) and updates on the progress of the proposed Settlement.

7. REPRESENTATIONS AND WARRANTIES

- 7.1. Representations and Warranties. The Settling Parties represent and warrant that:
- 7.1.1. They are voluntarily entering into this Settlement Agreement as a result of arms-length negotiations among their counsel;
- 7.1.2. In executing this Settlement Agreement they are relying solely upon their own judgment, belief and knowledge, and the advice and recommendations of their own independently selected counsel, concerning the nature, extent and duration of their rights and claims and regarding all matters which relate in any way to this Settlement Agreement, and that they have not been influenced to any extent whatsoever in executing this Settlement Agreement by any representations, statements or omissions by any Settling Party or by any Person representing any Settling Party other than those expressly contained in this Settlement Agreement;
- 7.1.3. They assume the risk of mistake as to facts or law;
- 7.1.4. They have carefully read this Settlement Agreement, and this Settlement Agreement is signed freely by each individual executing it; and

7.1.5. They have made whatever investigation of the facts pertaining to the settlement and this Settlement Agreement as they deem necessary.

7.2. Named Plaintiffs Representations and Warranties. The Named Plaintiffs jointly and severally represent and warrant:

7.2.1. That none of the claims that were asserted or could have been asserted in the Action have been assigned, encumbered or in any manner transferred in whole or in part; and

7.2.2. That they were participants in the Plans during the Class Period and are members of the Settlement Class.

8. NO ADMISSION OF LIABILITY

8.1 The Settling Parties understand and agree that this Settlement Agreement embodies a compromise of disputed claims, and nothing in this Settlement Agreement, including the furnishing of consideration for this Settlement Agreement, shall be deemed to constitute any finding of wrongdoing by any of the Settling Defendants, or give rise to any inference of wrongdoing or admission of wrongdoing or liability in this or any other proceeding. This Settlement Agreement and the consideration provided in connection with it are made in compromise of disputed claims solely for the purpose of avoiding continued litigation costs and are not admissions of liability of any kind, whether legal or factual. The Settling Defendants have denied, and continue to deny, that they have committed any violation of ERISA or other laws and have agreed hereto solely for the purpose of avoiding the cost and inefficiency inherent in further litigation of this Action. Neither the facts nor the terms of this Settlement Agreement shall be offered or received in evidence in any action or proceeding for any purpose, except (i) in an action or proceeding to enforce this Settlement Agreement or arising out of relating to the Preliminary Approval Order or the Final Approval Order, or (ii) in an action or

proceeding where the release of the Released Claims may serve as a bar to recovery.

**9. COSTS OF NOTICE; THE SETTLEMENT FUND;
DELIVERIES INTO THE SETTLEMENT FUND**

- 9.1. Costs of Notice. The costs of Class Notice will be advanced by Class Counsel and paid from the Settlement Fund.
- 9.2. Settlement Fund. Within thirty (30) days after entry of the Preliminary Approval Order, the Settling Defendants shall cause the Insurer(s) to pay the Class Settlement Amount into an interest-bearing escrow account maintained by Hagens Berman Sobol Shapiro LLP; provided, however, that no disbursements shall be made from the Settlement Fund (including any payments of Class Counsel's fees and expenses, Service Awards to Named Plaintiffs, or otherwise) until all provisions set forth in Section 4 have been satisfied. The Settlement Fund shall be invested only in United States Treasury Bills or other comparable risk-free investments. The resulting Settlement Fund shall be considered a common fund created as a result of the Action, the interest on which will be added to the Class Settlement Amount. Under no circumstances will the Settling Defendants or Insurer(s) be required to pay, as part of the settlement of the Action, any amount greater than the Class Settlement Amount. Upon payment of the Settlement Amount by the Insurer(s), neither the Insurers nor the Settling Defendants shall have any obligation to make any further payments to or on behalf of the Settlement Fund, or on behalf of the Settlement or its implementation.
- 9.3. Taxes and Expenses of the Settlement Fund. The Settlement Fund shall bear interest for the benefit of the Settlement Class. Hagens Berman Sobol Shapiro LLP shall structure and manage the Settlement Fund to qualify as a Qualified Settlement Fund under Section 468B of the Internal Revenue Code and Treasury regulations promulgated thereunder.

The Settlement Fund will pay any federal, state or local taxes that may apply to the income of the Settlement Fund. Class Counsel shall arrange for the preparation and filing of all required tax reports and tax returns including any information returns and payee statements required to be filed or furnished by the Settlement Fund and for the payment from the Settlement Fund of any taxes owed. All taxes on the income of the Settlement Fund, all taxes with respect to distributions from the Settlement Fund, and all tax-related expenses incurred in connection with the taxation of and distributions from the Settlement Fund shall be paid out of the Settlement Fund.

- 9.4. The Settling Parties acknowledge and agree that, except for relaying the Class Settlement Amount to Hagens Berman Sobol Shapiro LLP within thirty (30) days after entry of the Preliminary Approval Order, the Settling Defendants and the Insurers shall have no liability for any expenses the Settlement Fund may incur, any taxes that may be payable by the Settlement Fund, the investment and management of the Settlement Fund, or any distribution therefrom. Neither Settling Defendants nor the Insurers shall indemnify or bear any other responsibility for the Settlement Fund once the consideration is relayed to Class Counsel. Class Counsel shall be fully responsible for overseeing the distribution of the proceeds to the Settlement Class, including all tax issues relating thereto, and the Settling Defendants shall bear no responsibility with respect to the distribution of the Settlement proceeds.

10. EFFECTIVE DATE OF SETTLEMENT; DISTRIBUTION OF THE SETTLEMENT FUND

- 10.1. Effective Date. This Settlement Agreement shall be effective on and as of the first Business Day when each and every condition in Section 4 has been fully satisfied or waived. Any disputes as to whether the Effective Date has occurred shall be resolved by the District Court upon the request of any of the Settling Parties.

- 10.2. Attorneys' Fees and Expenses. Pursuant to the common fund doctrine, Class Counsel may apply to the Court for an award of attorneys' fees and for reimbursement of expenses, to be paid solely from the Settlement Fund. Class Counsel's request for attorneys' fees and for reimbursement of expenses shall not exceed 25% of the Class Settlement Amount.
- 10.3. Class Counsel's Fee Application. No later than 35 days before the Fairness Hearing, Class Counsel shall submit an application to the District Court for an award of attorneys' fees for legal services rendered, plus reimbursement of their expenses incurred in connection with the Action or implementation of this Settlement Agreement. Class Counsel may request that the District Court award interest on such an award to accrue at a rate no higher than the rate at which interest accrues on the Settlement Fund; any such award of interest shall be payable solely from the Settlement Fund. Following the Effective Date, Class Counsel may receive a disbursement from the Settlement Fund in the amounts awarded by the District Court for attorneys' fees and expenses.
- 10.3.1. The Settling Defendants will take no position with respect to any application for attorneys' fees and costs to be paid out of the Settlement Fund, provided that Class Counsel does not seek to recover more than 25% of the Class Settlement Amount for attorneys' fees.
- 10.3.2. The effectiveness of this settlement is not contingent upon the District Court awarding Class Counsel's attorneys' fees or expenses, and the settlement shall become final when all of the conditions in Section 4 are satisfied or waived, regardless of the amount of any attorneys' fees or expenses approved by the District Court. Apart from their responsibility, if any, for causing the Class Settlement Amount to be paid to the Settlement Fund, in no event shall any Releasee be responsible in any way for the

payment of any of Class Counsel's attorneys' fees or expenses, regardless of the amount of any attorneys' fees or expenses approved by the District Court, and regardless of any termination of this Settlement Agreement.

10.4. Service Awards for Named Plaintiffs. Class Counsel shall request Service Awards for each of the Named Plaintiffs.

10.4.1. No later than 35 days before the Fairness Hearing, Class Counsel shall apply to the Court for Service Awards to the Named Plaintiffs from the Settlement Fund in amounts not to exceed \$4,000 for each Named Plaintiff.

10.4.2. The Settling Defendants will take no position with respect to any application for Service Awards to be paid out of the Settlement Fund.

10.4.3. The effectiveness of this Settlement Agreement is not contingent upon the Court awarding Service Awards to the Named Plaintiffs, and the settlement shall become final when all of the conditions in Section 4 are satisfied or waived, regardless of whether any Service Awards are approved by the District Court. Apart from their responsibility, if any, for causing the Class Settlement Amount to be paid to the Settlement Fund, in no event shall any Releasee be responsible in any way for the payment of any Service Award, regardless of the amount of any such awards approved by the District Court, and regardless of any termination of this Settlement Agreement.

10.5. Plan of Allocation. Concurrently with the filing of the Preliminary Approval Motion, Class Counsel will propose the Plan of Allocation to the District Court, which the District Court may approve in its discretion after consideration at the Fairness Hearing. The Plan of Allocation is attached as Exhibit B to the Volk Declaration in support of Plaintiffs' Motion for Preliminary Approval.

10.5.1. The costs of implementing the Plan of Allocation shall be paid from the Settlement Fund

without further order of the District Court.

10.5.2. The Plan of Allocation is a matter separate from this Settlement Agreement and the settlement embodied in it, and no decision by the District Court concerning the Plan of Allocation shall affect the validity of this Settlement Agreement or finality of the Settlement.

11. TERMINATION OF THE SETTLEMENT AGREEMENT

11.1. Termination. This Settlement Agreement may automatically terminate or be terminated by the Settling Parties, and thereupon become null and void, in the following circumstances:

11.1.1. If the District Court declines to enter the Final Approval Order, then this Settlement Agreement shall automatically terminate and become null and void;

11.1.2. If the Preliminary Approval Order or the Final Approval Order does not materially satisfy the terms and conditions of this Settlement Agreement so as to materially and adversely affect any Settling Party's rights hereunder, that Party may, within ten (10) Business Days after the District Court's entry of the order, give the other Settling Parties written notice of his, her or its objections. If, within fifteen (15) Business Days after the giving of such written notice or, within fifteen (15) Business Days after the date of the District Court's order following a motion for reconsideration of any such ruling, whichever is later, the Settling Parties have not agreed in writing to proceed with all or part of the Settlement Agreement pursuant to the order as entered by the District Court, then this Settlement Agreement shall automatically terminate, and thereupon become null and void.

11.1.3. If the Final Approval Order entered by the District Court is reversed or modified on appeal in a manner that materially and adversely affects a Party's rights, and if within

thirty-one (31) days after that reversal or modification becomes a Final Order the Settling Parties have not agreed in writing to proceed with all or part of the Settlement Agreement in light of that ruling, then this Settlement Agreement shall automatically terminate and become null and void; and

11.1.4. If the Settlement Agreement does not become final as set forth in Section 4, and the Settling Parties have not agreed in writing to proceed with all or part of the Settlement Agreement, then this Settlement Agreement shall automatically terminate and become null and void.

11.2. Consequences of Termination of the Settlement Agreement. If the Settlement Agreement is terminated and rendered void for any reason specified in Section 11.1, the following shall occur:

11.2.1. The Action shall for all purposes revert to its status as of November 22, 2010; except that the Settling Parties shall jointly submit a revised scheduling order for the District Court's consideration within thirty (30) days after the date of the termination of the Settlement that, among other things, provides additional time for discovery;

11.2.2. All releases given under or pursuant to Section 5 of this Settlement Agreement shall be void; none of the terms of the Settlement Agreement shall be effective or enforceable, except the terms set forth in Section 11; neither the fact nor the terms of this Settlement Agreement shall be offered or received in evidence in the Action, or in any other action or proceeding for any purpose, except in an action or proceeding arising under this Settlement Agreement;

This lawsuit asserts that Defendants breached fiduciary duties they owed to participants in the Plans. Defendants dispute the allegations of the complaint and have vigorously defended the litigation. Relevant documents filed with the District Court are available at www.hbsslaw.com.

SUMMARY OF SETTLEMENT

A Settlement Fund will be established consisting of \$750,000 in cash paid by Defendants' insurer. The Net Settlement Amount, which will consist of the Settlement Fund minus certain amounts described in the Settlement Agreement, including District Court-approved attorneys' fees and expenses and Service Awards, will be allocated among the Settlement Class in accordance with the Plan of Allocation to be approved by the District Court. (See Section 7 below for details about the Plan of Allocation).

The Settlement Class consists of all persons who were participants in or beneficiaries of the Plans at any time between January 1, 2008 and September 11, 2009, both dates inclusive, and whose individual accounts in either or both Plans included investment in Company stock; provided, however, that Defendants and their heirs, Successors-in-Interest, or assigns, to the extent they acquire an interest held by Defendants, are excluded from the Settlement Class.

As with any lawsuit, the Settling Parties would face an uncertain outcome if the Action were not settled. Continued litigation of the Action could result in a judgment greater or less than the recovery under the Settlement Agreement, or in no recovery at all. This litigation has been hotly contested. Named Plaintiffs and the Settling Defendants have disagreed about whether the Settling Defendants did anything wrong, and they do not agree on the amount that would be recoverable even if Plaintiffs were to win at trial. The Settling Defendants, among other things: (1) have denied, and continue to deny, the material allegations of the lawsuit; (2) have denied, and continue to deny, any wrongdoing or liability whatsoever; (3) believe that they acted at all times reasonably, prudently and lawfully with respect to the Plans, its participants and beneficiaries, and the Settlement Class and believe that they would prevail if trial were held on the claims; (4) would assert certain other defenses if the settlement is not consummated; and (5) are entering into the settlement solely to avoid the continued cost and disruption of litigation. For their part, the Settling Plaintiffs believe that serious breaches of fiduciary duty occurred, and are confident that they would ultimately prevail at trial and/or on appeal; however, given the dwindling insurance coverage they believe that any such victory might well be illusory as they would be unable to collect on a judgment in their favor.

Plaintiffs' Class Counsel will ask the District Court for an order awarding them fees not in excess of 25% of the amount recovered in the settlement, plus reimbursement of expenses. Named Plaintiffs will share in the allocation of the money paid to the Plan on the same basis and to the same extent as all other members of the Class, except that, in addition, Named Plaintiffs will apply to the District Court for a Service Award of up to \$4,000 each. Any service award granted to Named Plaintiffs by the District Court will be payable from the proceeds of the Settlement Fund.

If the settlement becomes final, the Named Plaintiffs will dismiss their claims against all Defendants, even those that are not participating in the settlement. The Named Plaintiffs are compelled to do so in order to effectuate the settlement.

BASIC INFORMATION

1. Why did I get this notice?

Either you or someone in your family may have been a participant in or beneficiary of the Plans and may have invested a portion of the funds in either Plan account in Company stock during the Class Period (between January 1, 2008 and September 11, 2009, both dates inclusive). The Court has directed that this notice be sent to you because, as a potential member of the Settlement Class, you have a right to know about the proposed settlement before the District Court decides whether to approve it. If the District Courts approves the settlement, the net amount of the Settlement Fund will be allocated among the Settlement Class according to a Plan of Allocation, and the Settling Defendants and related people and companies will be released from all Released Claims, as set forth in the Settlement Agreement.

This notice explains the Action, the settlement, your legal rights, what benefits are available, who is eligible for them, and how you may receive your portion of the benefits. A hearing (“Fairness Hearing”) will be held by the District Court to consider the fairness, reasonableness and adequacy of the proposed settlement and to consider the application of Plaintiffs’ Class Counsel for attorneys’ fees and reimbursement of litigation expenses as well as an application for service awards to Named Plaintiffs.

The Fairness Hearing will be held at _:___.m. on ____, 2011 before the Hon. Benjamin H. Settle in the United States District Court for the Western District of Washington, 1717 Pacific Avenue, Tacoma, Washington, to determine:

- (a) Whether the settlement should be approved as fair, reasonable, and adequate;
- (b) Whether the lawsuit should be dismissed with prejudice pursuant to the terms of the settlement;
- (c) Whether this Notice and the way it was disseminated constituted proper notice and met all applicable legal requirements;
- (d) Whether the Settlement Class should be certified for the purposes of settlement only and whether Plaintiffs’ Class Counsel should be appointed as Class Counsel pursuant to Rule 23(g);
- (e) Whether the application for attorneys’ fees and expenses filed by Plaintiffs’ Class Counsel should be approved; and
- (f) Whether the application for service awards for Named Plaintiffs should be approved.

If the District Court approves the settlement, payment to the Settlement Class will be made after all related appeals, if any, are favorably resolved. It is impossible to know whether there will be any appeal, and resolving any appeal can take time, generally more than a year. Please be patient.

2. What is the lawsuit about? What has happened so far?

Named Plaintiffs allege that Defendants were fiduciaries of the Plans and violated fiduciary duties under the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) by allowing the Plans to invest in Company stock when it allegedly was an unsuitable and imprudent investment for the Plans. Named Plaintiffs further allege that Defendants violated ERISA by failing to provide Plan participants with complete and accurate information about Company stock, by failing to monitor the performance of other fiduciaries, or otherwise prevent or remedy breaches of duty by other fiduciaries. Plaintiffs sought to recover from Defendants losses to the Plan allegedly caused by Defendants’ alleged misconduct.

Defendants deny that they have any liability to the Plan or its participants or beneficiaries. If the litigation were to continue, Defendants would raise numerous defenses to liability, including the following:

- They were not fiduciaries of the Plan, or, if they were fiduciaries, their fiduciary duties did not extend to the matters at issue in the Action;
- To the extent they were fiduciaries as to the matters at issue in the Action, the unprecedented global financial crisis that caused the Bank’s regulators to conclude that it needed to be closed was unforeseeable and, in fact, unforeseen by economists and financial experts. Accordingly, they complied with all fiduciary duties;
- Even if they failed to comply with one or more of their ERISA fiduciary duties, any breach of fiduciary duty did not cause the losses alleged by Named Plaintiffs;

- There was no public market for the sale of Company stock so Defendants could not have sold the stock from the Plans even if they had wanted to; and
- The claims Named Plaintiffs assert are not permitted under ERISA.

Plaintiffs' Class Counsel have conducted an extensive investigation of VFGI and of the alleged losses suffered by the Plans as a result of the breaches of fiduciary duty alleged in the Action. Through that investigation and through discovery of additional information in the Action, Plaintiffs' Class Counsel have obtained and reviewed many documents, including documents and materials governing the Plans, communications with Plan participants, internal Company documents regarding the Plans, VFGI's Securities and Exchange Commission filings, press releases, public statements, news articles and other publications. Class Counsel have conducted a thorough review and analysis of these materials and confirmed that the settlement is fair, reasonable and adequate and in the best interest of the Settlement Class.

On March 15, 2010, Defendants moved to dismiss Plaintiffs' complaint. On May 18, 2010, the District Court issued an order granting in part and denying in part Defendants' motion to dismiss. The Court dismissed claims that Defendants should have sold stock acquired by the Plans before January 1, 2008, which had the effect of dismissing over eighty percent of the potential recovery on the Plaintiffs' claims. A copy of that order is available at www.hbsslaw.com.

This settlement is the product of intense, arm's-length negotiations between Plaintiffs' Class Counsel and the Settling Defendants' Counsel, including a mediation before a well-respected neutral mediator, during which the terms of the settlement were extensively debated and negotiated.

3. Why is this case a class action?

In a class action, one or more plaintiffs, called "named plaintiffs," sue on behalf of people who have similar claims. Plaintiffs contend that all of the individuals on whose behalf Named Plaintiffs in the Action are suing are members of a "class" of certain participants and former participants in the Plans.

4. Why is there a settlement?

In reaching a settlement, the Settling Parties have avoided the cost, time and risk associated with a trial. As with any litigation, Named Plaintiffs would face an uncertain outcome if this case proceeded, including the risk of losing at trial. On the one hand, pursuing the case against Defendants could result in a judgment offering relief greater than this settlement. On the other hand, continuing the case against Defendants could result in a judgment for less money than Named Plaintiffs have obtained in this settlement, or even in no recovery at all. Based on these risks and an evaluation of the particular risks presented by this case, Named Plaintiffs and Plaintiffs' Class Counsel believe the settlement is in the best interests of all Settlement Class members. The Settling Defendants seek to complete the settlement solely for the purpose of avoiding the cost and inefficiency inherent in further litigation.

5. How do I know whether I am part of the Settlement Class?

The District Court has preliminarily certified this Action as a class action. The Settlement Class consists of all persons who were participants in or beneficiaries of either or both of the Plans at any time between January 1, 2008 and September 11, 2009 both dates inclusive, and whose individual Plan accounts included investment in Company stock; provided, however, that Defendants and their heirs, Successors-in-Interest, or assigns, to the extent such persons acquire an interest held by Defendants, are excluded from the Settlement Class.

If you are a member of the Settlement Class, your share of the Net Settlement Amount, if any, will be determined by the District Court-approved Plan of Allocation, described in Section 7 below.

6. What does the settlement provide?

The Settlement Agreement provides for the payment of \$750,000 in cash, which will be deposited into the Settlement Fund. The Net Settlement Amount (including interest, but after payment of certain amounts as described in the Settlement Agreement, including District Court-approved attorneys' fees and Named Plaintiff service awards, taxes and other costs related to the administration of the Settlement Fund) will be paid to the members of the Settlement Class according to a Plan of Allocation. Members of the Settlement Class can elect whether to place their share of the settlement into an individual retirement account or qualified retirement plan OR to receive a check for their share of the settlement taxed according to the federal tax code. Disbursement of the Net Settlement Amount to the Settlement

Class will occur once the settlement has become final.

In exchange for the settlement payment and other consideration, all Settlement Class members and anyone claiming through them will fully release the Settling Defendants and related persons and companies, as well as the insurer from the Released Claims, and will be barred from bringing any Released Claim against any Releasee. The specific Releasees are identified in the Settlement Agreement; generally they are the Settling Defendants and certain affiliated or otherwise related persons and entities. The Released Claims, also defined in the Settlement Agreement, generally include all claims asserted in the Action, as well as any claims that could have been asserted in any forum by or on behalf of Settlement Class members which arise out of or are based on the allegations, transactions, facts, matters or occurrences, representations or omissions out of which the claims in the Action arise. This means that Settlement Class members will not have the right to sue the Releasees for any such claims if the settlement is approved.

7. How much will I get?

On December 22, 2010, Class Counsel submitted a detailed Plan of Allocation to the District Court for approval at or after the Fairness Hearing. The Plan of Allocation, which may be obtained at www.hbsslaw.com, or by contacting Class Counsel, describes how the Class Settlement Amount will be paid into the Plan and how the Net Settlement Amount will be distributed to Settlement Class members. In general terms, the Plan of Allocation will provide that each Settlement Class member's share of the Net Settlement Amount will be calculated as follows:

Each member of the Settlement Class will receive a recovery of his or her pro rata share of the Net Settlement Amount. The pro rata share due to each member will depend on the total number of Company shares each member held in his or her KSOP and ESOP account on September 11, 2009, as compared to the total number of shares held by the Plans.

Settlement Class Members whose Individual Recovery is less than \$50 will receive no money from the settlement. The recovery otherwise allocable to those Settlement Class Members shall be reallocated among the other Settlement Class Members.

8. How can I get my portion of the recovery?

You do not need to file a claim. If you are a Settlement Class member entitled to a share of the Net Settlement Amount, you will be able to elect whether you wish your Individual Recovery to be deposited into a qualified retirement account OR whether you wish to receive a check for your Individual Recovery taxed according to the federal tax code.

9. When can I expect to receive my payment?

Payment is conditioned on several things, including the District Court's approval of the settlement and that approval becoming a Final Order and no longer subject to any appeals. Depending on the court process, distribution could take several months or more than a year; please be patient.

10. Can I exclude myself from the settlement?

No. As a Settlement Class member, you will be bound by any judgments or orders that are entered in the Action for all claims that were asserted in the Action or otherwise included in the release under the settlement. Although you cannot opt out of the settlement, you can object to the settlement and ask the Court not to approve it. See Answer to Question No. 13, below.

The above description of the settlement is only a summary. The actual Settlement Agreement (including its exhibits) may be obtained at www.hbsslaw.com or by contacting Plaintiffs' Class Counsel.

THE LAWYERS REPRESENTING YOU

11. Do I have a lawyer in the case?

Yes. Hagens Berman Sobol Shapiro LLP is Class Counsel for Named Plaintiffs, the Plan, and the Settlement Class. You will not be charged directly by these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

12. How will the lawyers be paid?

Plaintiffs' Class Counsel will apply for an award of attorneys' fees and expenses. The application for attorneys' fees

will not exceed 25% of the Settlement Fund. Any award of fees and expenses will be paid from the Settlement Fund prior to allocation and payment to the Settlement Class. The written application for fees and expenses, together with the application for service awards to Named Plaintiffs, will be filed by _____, and the District Court will consider this application at the Fairness Hearing. A copy of the application will be available www.hbsslaw.com on that date.

To date, Plaintiffs' Class Counsel has not received any payment for their services in prosecuting this Action on behalf of the Settlement Class, nor has counsel been reimbursed for their out-of-pocket expenses. The fee requested by Plaintiffs' Class Counsel would compensate them for their efforts in achieving the settlement for the benefit of the Settlement Class and for their risk in undertaking this representation on a contingent basis. The Court will determine the actual amount of any award.

OBJECTIONS

13. How do I tell the District Court if I don't like the settlement?

Any member of the Settlement Class may appear at the Fairness Hearing and explain why they think the settlement of the Action should not be approved, why attorneys' fees and expenses should not be awarded, in whole or in part, why Named Plaintiffs should not be awarded a service award, in whole or in part, or why the Plan of Allocation should not be approved. But, absent leave of the Court, no member of the Settlement Class can contest these matters unless they file with the District Court a timely written objection, providing all reasons for the objection.

To object, you must send a letter or other written statement saying that you object to the settlement, the attorneys' fee award, the service awards and/or the Plan of Allocation in *Wilson et al. v. Venture Financial Group, Inc. et al.* Case No. 09-cv-05768 BHS. THE DISTRICT COURT'S FAIRNESS HEARING

14. When and where will the District Court decide whether to approve the settlement?

The Court will hold a Fairness Hearing at ____ .m. on _____, at the United States District Court for the Western District of Washington, 1717 Pacific Avenue, Tacoma, Washington 98402. **YOU ARE NOT REQUIRED TO ATTEND THE FAIRNESS HEARING.**

At the hearing, the District Court will consider whether the settlement is fair, reasonable, and adequate. If there are objections, the District Court will consider them. After the Fairness Hearing, the District Court will decide whether to approve the settlement and certify the Settlement Class. The District Court will also consider the motions for attorneys' fees and expenses and service awards to Named Plaintiffs, as well as the proposed Plan of Allocation.

15. Do I have to come to the hearing?

No, but you are welcome to come at your own expense. If you send an objection, you do not have to come to District Court to talk about it. As long as you mailed your written objection on time, it will be before the District Court when the District Court considers whether to approve the settlement. You may also have your own lawyer attend the Fairness Hearing at your expense, but such attendance is not mandatory.

16. May I speak at the hearing?

If you are a member of the Settlement Class and you have filed a timely objection, if you wish to speak at the Fairness Hearing, you must state in your objection your intention to do so, and must identify any witnesses you intend to call or evidence you intend to present.

The Fairness Hearing may be rescheduled by the District Court without further notice to the Class. If you wish to attend the Fairness Hearing, you should confirm the date and time with Class Counsel.

18. How do I get more information?

**[PROPOSED] FINDINGS AND ORDER
PRELIMINARILY APPROVING
PROPOSED SETTLEMENT,
PRELIMINARILY CERTIFYING
SETTLEMENT CLASS, APPROVING
FORM AND DISSEMINATION OF
CLASS NOTICE, AND SETTING
DATE FOR HEARING ON FINAL
APPROVAL**

1 This Action involves claims for alleged violations of the Employee Retirement Income
 2 Security Act of 1974, as amended, 29 U.S.C. §§ 1001, et seq. (“ERISA”), with respect to the
 3 Venture Financial Group, Inc. Employee Stock Ownership Plan and Trust and the Venture
 4 Financial Group, Inc. KSOP (collectively the “Plans”).¹

5 Presented to the District Court for preliminary approval is a settlement between Plaintiffs
 6 and the Settling Defendants. The terms of the settlement are set out in a Settlement Agreement
 7 executed by the Settling Parties on December 22, 2010.

8 The Court has preliminarily considered the settlement to determine, among other things,
 9 whether it warrants the issuance of notice to members of the Settlement Class. Upon reviewing
 10 the Settlement Agreement, it is hereby ORDERED, ADJUDGED AND DECREED as follows:

11 1. Class Certification. The Court preliminarily finds that the requirements of the
 12 United States Constitution, the Federal Rules of Civil Procedure, the Local Rules of the United
 13 States District Court for the Western District of Washington, and any other applicable laws have
 14 been met as to the “Settlement Class” defined below, in that:

15 a. The Settlement Class is cohesive and well defined;

16 b. The members of the Settlement Class are reasonably ascertainable from
 17 records kept with respect to the Plan, and the members of the Settlement Class are so
 18 numerous that their joinder before the Court would be impracticable;

19 c. Based on allegations in the Complaint, the Court preliminarily finds that
 20 there are one or more questions of fact and law common to the Settlement Class;

21 d. Based on the terms of the Complaint and the proposed
 22 Settlement, the Court finds that the claims of the Named Plaintiffs are typical of the
 23 claims of the Settlement Class;

24
 25
 26 ¹ The initial capitalization of terms used in this Preliminary Approval Order and not defined
 herein shall have the meanings assigned to them in the Settlement Agreement.

1 e. The Named Plaintiffs will fairly and adequately protect the interests of the
2 Settlement Class in that: (i) the interests of Named Plaintiffs in the nature of the alleged
3 claims and the Settlement are consistent with those of the members of the Settlement
4 Class; (ii) there appear to be no conflicts between or among Named Plaintiffs and the
5 Settlement Class; and (iii) Named Plaintiffs and the members of the Settlement Class are
6 represented by qualified counsel who are experienced in preparing and prosecuting large,
7 complicated ERISA class actions;

8 f. Based on the Complaint, the prosecution of separate actions with
9 individual members of the Settlement Class would create a risk of: (i) inconsistent or
10 varying adjudications as to individual Settlement Class members that would establish
11 incompatible standards of conduct for the parties opposing the claims asserted in the
12 Action; or (ii) adjudications as to individual Settlement Class members that would, as a
13 practical matter, be dispositive of the interests of the other Settlement Class members not
14 parties to the adjudications, or substantially impair or impede the ability of those persons
15 to protect their interests; and

16 2. Based on the findings set out in paragraph 1 above, the Court preliminarily
17 certifies the following class (the "Settlement Class") for settlement purposes only under Fed. R.
18 Civ. P. 23(b)(1):

19 All Persons who were participants in or beneficiaries of the KSOP
20 or ESOP and whose individual ESOP and KSOP accounts included
21 investments in Company Stock during the Class Period; provided,
22 however, that Defendants and their heirs, Successors-in-Interest, or
23 assigns, to the extent such Persons acquire an interest held by
24 Defendants, are excluded from the Settlement Class.

25 3. The Court preliminarily appoints Named Plaintiffs Sandra Wilson and Synthia
26 Lisi as class representatives for the Settlement Class, and Hagens Berman Sobol Shapiro LLP as
Counsel for the Settlement Class.

1 4. Preliminary Findings Concerning Proposed Settlement. The Court preliminarily
2 finds that the proposed Settlement should be approved as: (i) the result of serious, extensive
3 arm's-length and non-collusive negotiations; (ii) fair, reasonable, and adequate; (iii) having no
4 obvious deficiencies; (iv) not improperly granting preferential treatment to the Named Plaintiffs
5 or segments of the Settlement Class; (v) falling within the range of possible approval; (vi) not a
6 prohibited transaction under ERISA or exempt from ERISA's prohibited transaction rules under
7 applicable law; and (vii) warranting notice to Settlement Class members of a formal fairness
8 hearing, at which evidence may be presented in support of and in opposition to the proposed
9 Settlement.

10 5. Fairness Hearing. A hearing is scheduled for _____, 2011 at _____ (the
11 "Fairness Hearing") to determine, among other things:

12 a. Whether the settlement should be finally approved as fair, reasonable, and
13 adequate;

14 b. Whether the litigation should be dismissed with prejudice pursuant to the
15 terms of the Settlement Agreement;

16 c. Whether the Class Notice and the means of dissemination provided for by
17 the Settlement Agreement: (i) constituted the best practicable notice; (ii) constituted
18 notice that was reasonably calculated, under the circumstances, to apprise members of the
19 Settlement Class of the pendency of the litigation, their right to object to the Settlement,
20 and their right to appear at the Fairness Hearing; (iii) was reasonable and constituted due,
21 adequate, and sufficient notice to all Persons entitled to notice; and (iv) met all applicable
22 requirements of the Federal Rules of Civil Procedure and any other applicable law;

23 d. Whether Class Counsel adequately represented the Settlement Class for
24 purposes of entering into and implementing the Settlement Agreement;

25 e. Whether the Plan of Allocation should be approved;

1 f. Whether the application for attorneys' fees and expenses filed by Class
2 Counsel should be approved; and

3 g. Whether the Service Awards for the Named Plaintiffs should be approved.

4 6. Notices. A form of Class Notice is attached to the Settlement Agreement as
5 Exhibit 1. The Court finds that the form fairly and adequately: (i) describes the terms and effect
6 of the Settlement Agreement and of the settlement; (ii) notifies the Settlement Class concerning
7 the proposed Plan of Allocation; (iii) notifies the Settlement Class that Class Counsel will seek a
8 Service Award from the Settlement Fund for the Named Plaintiffs in an amount not to exceed
9 \$4,000 and will further seek attorneys' fees and expenses not to exceed 25% of the Settlement
10 Fund; (iv) gives notice to the Settlement Class of the time and place of the Fairness Hearing; and
11 (v) describes how the recipients of the Class Notice may object to any of the relief requested.
12 The Court directs that, pursuant to the Settlement Agreement, Class Counsel shall:

13 • By no later than 30 days from the date of this Order, cause the Class Notice
14 attached to the Settlement Agreement as Exhibit 1, with blanks completed and such non-
15 substantive modifications as may be agreed upon by the Parties, to be sent to each member of the
16 Settlement Class listed in the records of the Plans' record keeper. The notice shall be sent by
17 first-class mail, postage prepaid, to the Settlement Class members' last known address.

18 • By no later than 30 days from the date of this Order, cause the Settlement
19 Agreement with all of its exhibits and the Class Notice to be posted on Class Counsel's websites
20 as identified in the Class Notice and served upon the U.S. Department of Labor together with a
21 copy of this Order.

22 • By no later than 35 days prior to the Fairness Hearing, cause Class Counsel's
23 Motion for Award of Attorneys' Fees and Expenses and Named Plaintiff Service Awards to be
24 posted on Class Counsel's websites as identified in the Class Notice.

25 • At or before the Fairness Hearing, file with the Court a proof of timely
26 compliance with the foregoing requirements.

7. Objections to Settlement. Any member of the Settlement Class or representative of the U.S. Department of Labor who wishes to object to the fairness, reasonableness, or adequacy of the settlement, to the Plan of Allocation, to any term of the Settlement Agreement, to the proposed award of attorneys' fees and expenses, or to any request for compensation for the Named Plaintiffs, may file an objection. An objector must file with the Court a statement of his, her or its objections, specifying the reasons for each objection, including any legal support or evidence that the objector wishes to bring to the Court's attention. The objector must also mail the objection and all supporting law and evidence to Class Counsel and to Defendants' Counsel. The addresses for filing objections with the Court and service on counsel are as follows:

To the Court:

Clerk of the Court
U.S. District Court for the Western District of Washington
Union Station Courthouse
1717 Pacific Ave.
Tacoma, WA 98402-3200

To Class Counsel:

Andrew M. Volk
HAGENS BERMAN SOBOL SHAPIRO LLP
1918 Eighth Avenue, Suite 3300
Seattle, Washington 98101

To Settling Defendants' Counsel:

Nicole A. Diller
MORGAN LEWIS & BOCKIUS LLP
One Market, Spear Street Tower
San Francisco, CA 94114

The objector or his, her or its counsel (if any) must effect service of the objection on counsel listed above and file it with the Court so that it is received by no later than 15 days prior to the Fairness Hearing. If an objector hires an attorney to object pursuant to this paragraph, the attorney must both effect service of a notice of appearance on counsel listed above and file it with the Court by no later than 15 days prior to the Fairness Hearing. Except for good cause shown, any member of the Settlement Class or other person who does not timely file and serve a

1 written objection complying with the terms of this paragraph shall be deemed to have waived,
2 and shall be foreclosed from raising, any objection to the settlement, and any untimely objection
3 shall be barred.

4 8. Appearance at Fairness Hearing. Any objector who files and serves a timely,
5 written objection may appear at the Fairness Hearing either in person or through counsel retained
6 at the objector's expense. Objectors or their attorneys intending to appear at the Fairness
7 Hearing must effect service of a notice of intention to appear setting forth the name, address, and
8 telephone number of the objector (and, if applicable, the name, address, and telephone number of
9 the objector's attorney) on Class Counsel and on Defendants' Counsel (at the addresses set out
10 above). The objector must also file the notice of intention to appear with the Court by no later
11 than 15 days prior to the Fairness Hearing. Any objector who does not timely file and serve a
12 notice of intention to appear in accordance with this paragraph shall not be permitted to appear at
13 the Fairness Hearing, except for good cause shown.

14 9. Service of Papers. If it appears that any objections were not properly served,
15 Defendants' Counsel and Class Counsel shall promptly furnish each other with copies of any and
16 all such objections that come into their possession.

17 10. Fee Petition. Class Counsel shall file an application for attorneys' fees and
18 expenses no later than 35 days prior to the proposed Fairness Hearing.

19 11. Injunction. Pending the final determination of the fairness, reasonableness and
20 adequacy of the proposed Settlement, all members of the Settlement Class are enjoined from
21 instituting or commencing any action against Defendants based on the Released Claims, and all
22 proceedings in this action, except those related to approval of the Settlement, are stayed.

23 12. Termination of Settlement. This Order shall become void and shall be without
24 prejudice to the rights of the Parties, all of whom shall be restored to their respective positions
25 existing as of November 22, 2010 pursuant to Section 11.2.1 of the Settlement Agreement, if the
26 settlement is terminated in accordance with the Settlement Agreement or does not receive final

1 approval. In such event, Section 11 of the Settlement Agreement shall govern the rights of the
2 Parties.

3 14. Use of Order. This Order is entered in compromise of disputed claims and does
4 not reflect admissions of liability of any kind, whether legal or factual by the Settling
5 Defendants. The Settling Defendants specifically deny any liability or wrongdoing, believe they
6 will prevail in the event of trial, but settle for the purpose of avoiding the cost and inefficiency
7 inherent in further litigation. Plaintiffs specifically believe that Defendants committed serious
8 fiduciary breaches and that Plaintiffs would have a good chance of prevailing in the event of
9 trial, but settle in recognition of the inherent uncertainty of litigation and the dwindling insurance
10 policy covering the Defendants' alleged liability in this case. Neither the fact nor the terms of
11 this Order shall be construed or used as an admission, concession, or declaration by or against
12 the Settling Defendants of any fault, wrongdoing, breach, or liability or as a waiver by any Party
13 of any arguments, defenses, or claims he, she, or it may have, including but not limited to any
14 objections by Defendants to class certification in the event that the Settlement Agreement is
15 terminated or not given final approval.

16 15. Continuance of Hearing. The Court may in its discretion continue the Fairness
17 Hearing without further written notice.

**[PROPOSED] FINAL ORDER AND
JUDGMENT**

This Action involves claims for alleged violations of the Employee Retirement Income Security Act of 1974, as amended, 29 U.S.C. §§ 1001, et seq. (“ERISA”), with respect to the Venture Financial Group, Inc. ESOP and KSOP (collectively the “Plans”).¹

This matter came before the Court for a hearing pursuant to the Preliminary Approval Order of this Court entered on _____, 2011, on the application of the Parties for

¹ The initial capitalization of terms, and in the case of the ESOP and KSOP, the capitalization of terms, used in this Final Order and Judgment and not defined herein shall have the meanings assigned to them in the Settlement Agreement.

1 approval of the settlement set forth in the Class Action Settlement Agreement (the “Settlement
2 Agreement”), executed on December 22, 2010 and filed with the Court on December 22, 2010.

3 Before the Court are: (1) Named Plaintiffs’ Motion for Final Approval of ERISA Class
4 Action Settlement, for Settlement Class Certification, and for approval of Plan of Allocation
5 (“Final Approval Motion”); and, (2) Class Counsel’s Motion for Award of Attorneys’ Fees and
6 Expenses and Named Plaintiff Service Awards (“Fee and Expense Motion”).

7 The Court has received declarations attesting to the mailing of the Class Notice in
8 accordance with the Preliminary Approval Order;

9 Due and adequate notice has been given to the Settlement Class as required in the
10 Preliminary Approval Order, and the Court has considered all papers filed and proceedings in
11 this case, and is otherwise fully informed in the premises. IT IS HEREBY ORDERED,
12 ADJUDGED AND DECREED as follows:

13 1. This Court has jurisdiction over the subject matter of this action and over all
14 Parties to the action, including all members of the Settlement Class, pursuant to 28 U.S.C.
15 § 1331 and 29 U.S.C. § 1132(e).

16 2. On _____, 2011, _____ copies of the Class Notice were
17 mailed to Settlement Class members.

18 4. In accordance with the Court’s Preliminary Approval Order, the Notice and
19 Settlement Agreement were posted on Class Counsel’s website on _____.

20 5. The Class Notice fully informed Settlement Class members of their rights with
21 respect to the settlement, including the right to object to the settlement, and of Class Counsel’s
22 application for an award of attorneys’ fees, reimbursement of expenses, and for the payment of
23 Service Awards to the Named Plaintiffs, all from the Settlement Fund.

24 6. The Class Notice met the statutory requirements of notice under the
25 circumstances, including the individual notice to all members of the Settlement Class, and fully
26

1 satisfied the requirements of Federal Rule of Civil Procedure 23 and the requirement of due
2 process.

3 7. The Plans were terminated in November of 2009 and all of the Plans' assets were
4 distributed subsequent to its termination.

5 8. Notice of the Settlement and a copy of the Settlement Agreement were served on
6 the US Department of Labor on _____, and the US Department of Labor has had an
7 opportunity to object to the settlement and be heard in this Court.

8 9. This action and all claims asserted in it, as well as all of the Released Claims, are
9 dismissed with prejudice as to the Named Plaintiffs, the Settlement Class members, and the
10 Plans, and as against the Releasees. The Parties are to bear their own costs, except as otherwise
11 provided in the Settlement Agreement.

12 10. The Court finds that the settlement is fair, reasonable, and adequate as to each
13 member of the Settlement Class and was reached through vigorous arms length negotiation and
14 is not the product of collusion among the parties or their counsel. Accordingly, the Court also
15 finds that the terms of the settlement are fair, reasonable, and adequate as to the Plan and no less
16 favorable to the plan than comparable arms-length terms and conditions that would have been
17 agreed to by unrelated parties under similar circumstances, and that the settlement is not part of
18 an agreement, arrangement, or understanding designed to benefit a party in interest.
19 Accordingly, the settlement does not constitute a nonexempt prohibited transaction within the
20 meaning of ERISA §§406(a) or (b).

21 11. The settlement is finally approved in all respects. The Parties are directed to
22 implement the settlement in accordance with the terms and conditions of the Settlement
23 Agreement. The Action is dismissed on the merits with prejudice. This dismissal shall and does
24 include any and all claims that were asserted in the Complaint or are expressly covered by the
25 Settlement Agreement. The Court further finds that, in order to render the settlement fully
26

1 effective as to the Settling Defendants, the Plans' claims that were asserted by the Plaintiffs in
2 this action must be extinguished and dismissed with prejudice, and the Court so orders.

3 12. Named Plaintiffs and each of member of the Settlement Class, individually and on
4 behalf of the Plans and any other Person that claims or might claim through or on behalf of or for
5 the benefit of the foregoing, are deemed to have, and by operation of this Order and Judgment
6 shall have, absolutely and unconditionally released and forever discharged the Releasees from
7 the Released Claims.

8 13. All members of the Settlement Class are hereby forever barred and enjoined from
9 prosecuting the Released Claims against Releasees, either derivatively or on behalf of
10 themselves, or through any person purporting to act on their behalf or purporting to assert a
11 Released Claim under or through them, in any forum, action or proceeding of any kind.

12 14. Each of the Settling Defendants, by operation of this Order and Judgment, are
13 hereby forever barred and enjoined from prosecuting against the Named Plaintiffs, the
14 Settlement Class, and Class Counsel any and all claims relating to the institution or prosecution
15 of the ERISA Litigation as well as any and all claims for contribution, indemnification, or any
16 other claims relating to payment of the Class Settlement Amount.

17 15. The Plan of Allocation is approved as fair and reasonable. Any modification or
18 change in the Plan of Allocation that may hereafter be approved shall in no way disturb or affect
19 this Judgment and shall be considered separate from this Judgment.

20 16 The Court hereby appoints Nicholas L. Saakvitne as the Independent Fiduciary
21 for the purposes of effectuating the distribution of the Net Settlement Amount consistent with the
22 Plan of Allocation. Mr. Saakvitne shall: (i) oversee the resuscitation of the Plan(s); (ii) perform

2 and their participants. Mr. Saakvitne's reasonable fee and costs shall be paid out of the
3 Settlement Fund.

4 17. Class Counsel is hereby awarded attorneys' fees in the amount of ____% of the
5 Settlement Fund, which the Court finds to be fair and reasonable, and \$_____ in
6 reimbursement of Class Counsel's reasonable expenses incurred in prosecuting the action. The
7 attorneys' fees and expenses so awarded shall be paid from the Class Settlement Amount
8 pursuant to the terms of the Settlement Agreement, with interest on such amounts from the date
9 the Class Settlement Amount was funded to the date of payment at the same net rate that the
10 Class Settlement Amount earns. All fees and expenses paid to Class Counsel shall be paid
11 pursuant to the timing requirements described in the Settlement Agreement.

12 18. The Named Plaintiffs are each hereby awarded a Service Award in the amount of
13 \$_____ to be paid from the Class Settlement Amount.

14 19. In making this award of attorneys' fees and reimbursement of expenses, and the
15 Service Awards to the Named Plaintiffs, the Court has considered and found that:

16 a) The settlement achieved as a result of the efforts of Class Counsel has created a
17 fund of \$750,000 in cash that is already on deposit, plus interest thereon, and will benefit the
18 Settlement Class members;

19 b) Class Counsel have conducted the litigation and achieved the settlement with
20 skill, perseverance, and diligent advocacy;

21 c) The action involves complex factual and legal issues and, in the absence of a
22 settlement, would involve further lengthy proceedings with uncertain resolution of the complex
23 factual and legal issues;

24 d) Had Class Counsel not achieved the settlement, there would remain a significant
25 risk that the Named Plaintiffs and the Settlement Class may have recovered less or nothing from
26 the Defendants;

1 e) The amount of attorneys' fees awarded and expenses reimbursed from the
2 Settlement Fund are consistent with awards in similar cases; and

3 f) The Named Plaintiffs rendered valuable service to the Plan and to Settlement
4 Class members.

5 20. Neither the Settlement Agreement nor the terms of the Settlement Agreement
6 shall be offered or received in any action or proceeding for any purposes, except (i) in an action
7 or proceeding arising under the Settlement Agreement or arising out of or relating to the
8 Preliminary Approval Order or the Final Order, or (ii) in any action or proceeding where the
9 releases provided pursuant to the Settlement Agreement or the terms of this Order may serve as a
10 bar to recovery.

11 21. Without affecting the finality of this Judgment in any way, this Court hereby
12 retains continuing jurisdiction over: (a) implementation of the settlement and any award or
13 distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the
14 Settlement Fund; (c) hearing and determining applications for attorneys' fees, costs, interest and
15 reimbursement of expenses in the action; and (d) all Parties hereto for the purpose of construing,
16 enforcing and administering the settlement and all actions that are or may be barred by this
17 Order.

18 22. This Order and Judgment shall not be considered or used as an admission,
19 concession, or declaration by or against Defendants of any fault, wrongdoing, breach or liability
20 and this Court makes no such finding or determination. Neither the Settlement Agreement nor
21 any of the proceedings in connection therewith shall be offered or received in evidence for any
22 purpose, except that the Defendants may submit this Final Order and Judgment to support a
23 claim of *res judicata*, collateral estoppel, release or any theory of claim or issue preclusion, or
24 the Parties may submit this Final Order and Judgment in any action to enforce the injunctive
25 provisions of Paragraphs 13 and 14 of this Order.
